

North Carolina Energy Efficiency and Conservation Programs

This spreadsheet represents most of the energy efficiency and conservation programs available throughout North Carolina, through our utilities, state and local agencies and organizations and other nonprofits and for profit organizations. It is arranged by audience, e.g. residential, commercial, industrial, etc., by sponsor, e.g., Duke Energy, State Energy Office, etc.; and by program name, e.g. "Share the Warmth," "System Vision," etc. Web sites and telephone numbers are provided.
