THIS BID ADDENDUM DOES NOT HAVE TO BE RETURNED

Technical Assistance may be provided to:

- **Perform a Preliminary Energy Survey**
- **Perform a Detailed Energy Survey**
- **Perform M&V if project selected for award**

These services are provided through the American Recovery and Reinvestment Act to responders to the above solicitation through the State Energy Office. Providers are limited to surveying a maximum of 100,000 square feet for a responder. Attached to this addendum are the “Request for technical assistance” form and a list of the approved providers.

To receive assistance please fill out the request form and select your preferred providers from the list. The SEO will contract with your preferred provider if they are available.

Responders may of course contract for their own services but these will not be qualified for reimbursement by the State Energy Office.
