### **N.C. ENERGY OFFICE ISSUES REQUESTS FOR PROPOSALS UNDER AMERICAN RECOVERY AND REINVESTMENT ACT** *Energy Efficiency Opportunities for Local Government and Education Facilities*

RALEIGH – The North Carolina Energy Office and the N.C. Office of Economic Recovery and Investment announce the availability of two Requests for Proposals for energy efficiency projects – one for local government buildings and another for public schools and community college buildings. Funding comes through the federal Recovery Act's Energy Efficiency and Conservation Block Grant program administered by the state Energy Office.

The Request for Proposals is available on the N.C. Energy Office Web site, [www.energync.net](http://www.energync.net), under "Funding Opportunities;" the state Office of Economic Recovery and Investment Web site at [www.ncrecovery.gov](http://www.ncrecovery.gov) under "Highlights;" and at the N. C. Department of Administration Web site at [www.ncpandc.gov](http://www.ncpandc.gov). Sealed proposals subject to the conditions delineated in the Request for Proposals will be received at: N.C. Energy Office, 1340 Mail Service Center, Raleigh, N.C. 27699-1430; on multiple dates ( Dec. 14, 2009, Dec. 31, 2009, Jan. 15, 2010 and Feb. 1, 2010) at 2 p.m.

Eligible projects include, but are not be limited to:

- Lighting retrofits;
- Installation of lighting control technology;
- Building envelope retrofit (for schools and community colleges only);
- Steam trap survey, repair and/or replacement (excluding boilers)
- Retro-commissioning of HVAC equipment and energy management systems;
- Installation of premium efficient motors and/or drives;
- Basic weatherization; and
- Heating and air conditioning analysis, optimization and repair.

For more information, contact the N.C. Energy Office at 919.733.2230.
